The killers are circling me intimidating me

I am coming either way giving you the chance if you don't want to I'll book return flight tonight and don't ever talk to me again I don't like being abused as you are doing right now your choice I am coming you have a few hours to think and decide after that if you decide not to come your on your own your choice opportunities sometimes come once in a life time

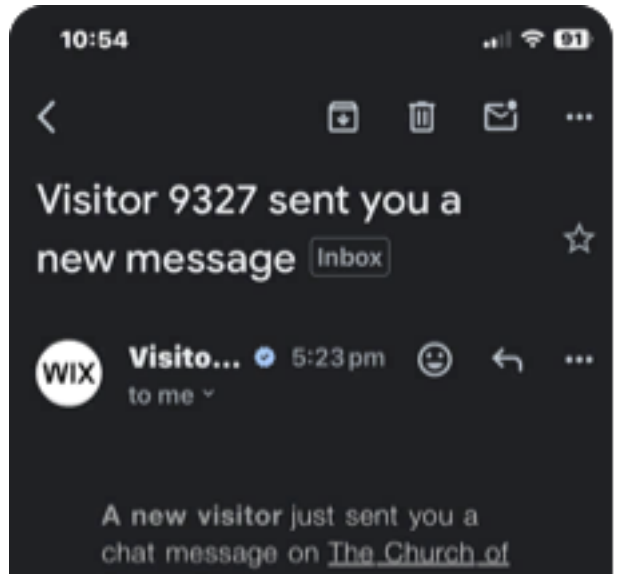

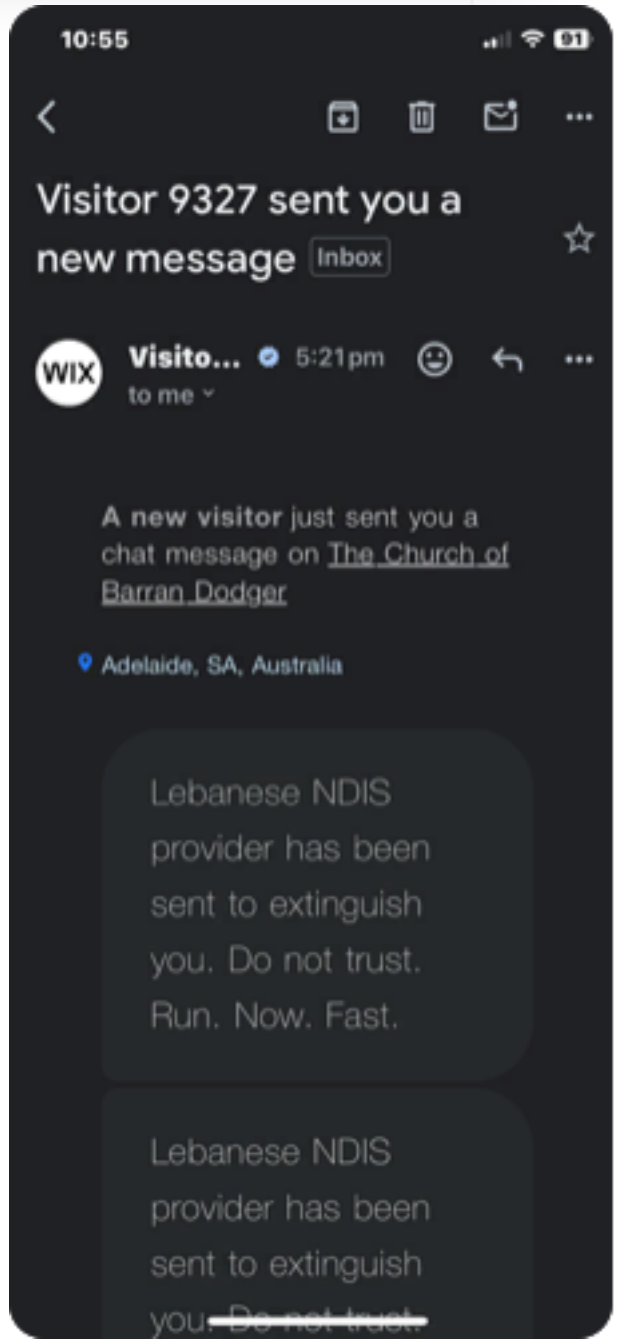

I gotta drive away the V2k is following me I'll text later

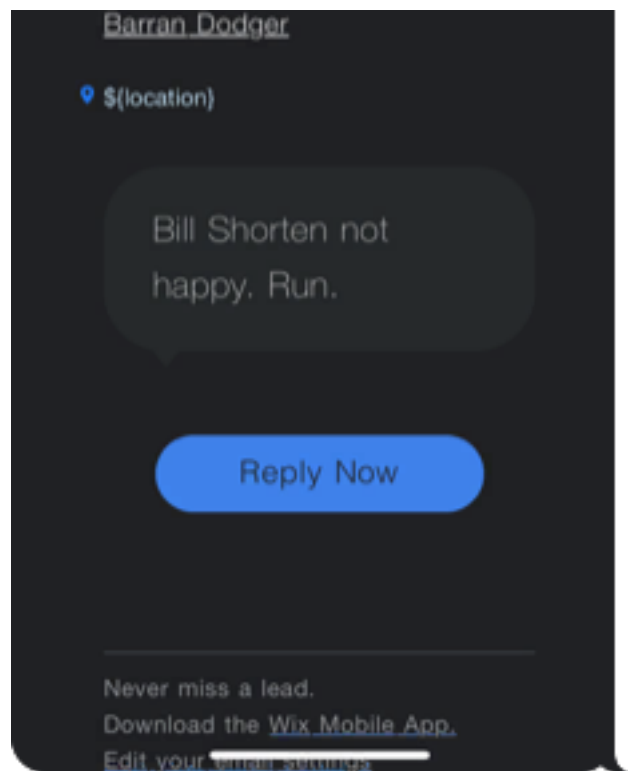

I am confused Snd cannot commit to meeting or revealing my location

That's why meet in public place

Of your choosing

Your choice take a few hours and think about it you don't have to come in person today if you send you ndis plan that way come to the house inspection tomorrow directly

What's address of house and I dint know where I'll stay tonight I've been ex communicated Snd robbed systemically and politically

Send the ndis plan I'll send you the address for tomorrrows inspection

If you need fuel money to get to inspection I can send

Ok bear with me whilst I recompute.

I need ndis plan and a assurance from you that you'll at least come to the inspection and see with your own eyes the house

That way I won't returnn tonight

My intentions are pure that I'm not abusing you with intention

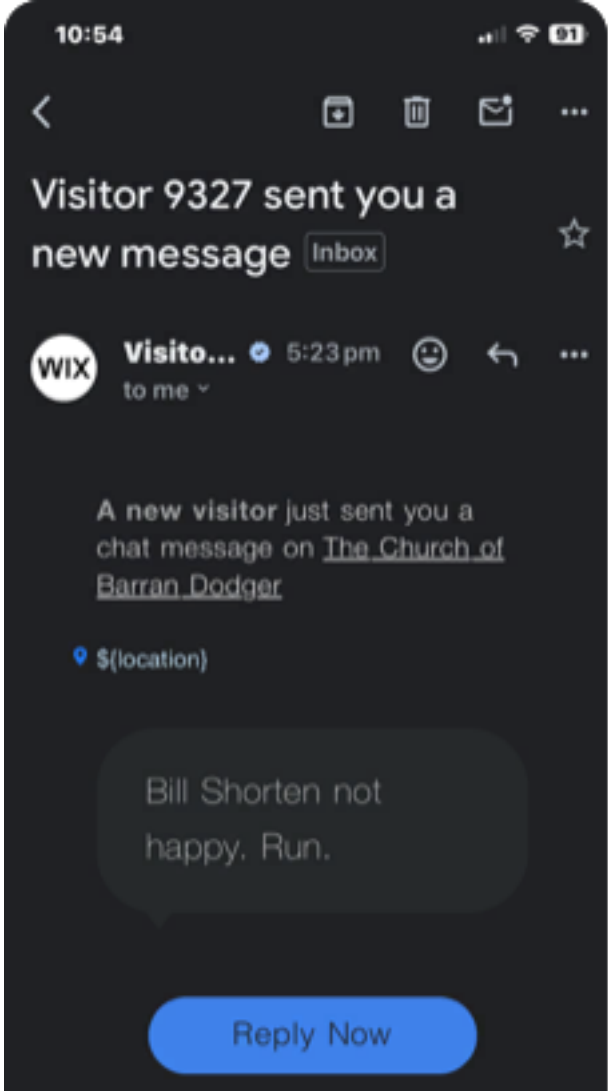

If I die now it will be a humsn sacrifice of the government snd society like Jesus, I'll have died with a true freind my dog, also my god

I'm not afraid to die.

Well bro you told me to come I sent you money I looked for houses I left my family and now you tell me not to come that is a huge abuse and the reason I am getting abused is for trying to help you if I were like the others and left you alone I would be not abused why you abuse those trying to help you and colose to you

I am jumping on plane now either send ndis plan complete and come tomorrow to the house or meet me coffee or dinner with your plan and then come tomorrow to the house

Because of this:
